<b>medicine</b>	<b>a fever</b>	<b>sore throat</b>	<b>nurse</b>	<b>a headache</b>
<b>take a rest</b>	<b>a stomachache</b>	<b>a doctor</b>	<b>rest</b>	<b>temperature</b>

Last week I was not feeling well. I have got 1. \_\_\_\_\_. My mum measured my 2. \_\_\_\_\_ with a thermometer. ‘Oh dear, It was 39 degrees,’ she said. We went to see 3. \_\_\_\_\_. There were many patients in the clinic.

There was a girl sitting next to me who has got a 4. \_\_\_\_\_. She cannot speak well. The doctor told her to drink more water. Another boy called Sam who has got 5. \_\_\_\_\_. He always said his tummy was painful. The doctor told him to 6. \_\_\_\_\_ and needed to take 7. \_\_\_\_\_.

A moment later, the 8. \_\_\_\_\_ called my name and we entered the room. I told the doctor what my illnesses was. I also told him I got 9. \_\_\_\_\_. That made me feel my head was painful. Finally, the doctor told me to 10. \_\_\_\_\_ in bed for one day and take some medicine.
